Madrid, June 13, 2016

Repsol discloses information in connection with the paid-up capital increase approved by the 2016 Annual Shareholders' Meeting under item five on the Agenda, as part of the shareholder remuneration program "*Repsol Flexible Dividend*" (scrip dividend). The informative document, required by Article 26.1.e) of Royal Decree 1310/2005, of 4 November (implementing Directive 2003/71/EC on the prospectus to be published when securities are offered to the public or admitted to trading), is enclosed.

Estimated Timetable for holders of American Depositary Shares (ADSs)

Date	Action / Event
June 10, 2016	Distribution by the Depositary of the Dividend Election Form to new registered ADSs holders
June 20, 2016	ADSs Record Date
June 23, 2016	ADSs Election Deadline
July 22, 2016	ADSs Payment Date of cash dividend, cash proceeds from sales and delivery of new ADSs

Informative Document
Capital increase charged to reserves from retained earnings

Repsol, S.A.

June 13, 2016

This document has been prepared in accordance with article 26.1.e) of Royal Decree 1310/2005.

*Translation of the original in Spanish.
In case of any discrepancy, the Spanish version prevails*

1. Background and purpose

The Annual Shareholders' Meeting of Repsol S.A. ("**Repsol**" or the "**Company**") held on May 20, 2016, under item five on the agenda, approved an increase in the share capital of Repsol, with full charge to reserves from retained earnings, in an amount to be determined in accordance with the terms and conditions set out in the resolution (the "**Capital Increase**"), and delegated the execution of such Capital Increase to the Board of Directors of Repsol, with authority to delegate further, pursuant to article 297.1.a) of the Companies Act.

In exercise of said delegation, the Company's Board of Directors, at its meeting held on May 20, 2016 approved, among other matters, to delegate to the Delegate Committee and the CEO Mr. Josu Jon Imaz San Miguel, each acting severally, all the powers granted to it by the Annual Shareholders' Meeting in relation to the Capital Increase, and in particular the power to execute the Capital Increase, to fix the date of its execution and all other aspects not contemplated in the resolution of the Annual Shareholders' Meeting.

In order to inform the market in advance, the Company published an estimated timetable relating to the Capital Increase on May 20, 2016, communicated by way of an Official Notice.

According to resolutions adopted on May 20, 2016, the Company's CEO approved the commencement of the Capital Increase on June 13, 2016, pursuant to the terms approved by the Annual Shareholders' Meeting, as reflected in this document.

This document is issued in accordance with article 26.1.e) of Royal Decree 1310/2005, of 4 November, by virtue of which the preparation and publication of a prospectus related to the listing of the shares issued as a result of the Capital Increase will not be necessary "*if a document is made available containing information on the number and nature of the shares and the reasons for and details of the offer*", the purpose of this Informative Document. This document is available on the Company's website (www.repsol.com) and on the website of the Spanish Securities Market Commission (www.cnmv.es).

The purpose of this document is, therefore, to provide all the information in relation to the Capital Increase that is available as at this date.

2. Purpose of the Increase: Repsol Flexible Dividend Program

The Capital Increase serves as an instrument to implement the shareholder remuneration "Repsol Flexible Dividend" program, in substitution of the traditional payment of the 2015 final dividend. The purpose of this remuneration system, that was first established by the Company in 2012, is to offer all of the Company's shareholders the option, at their election, to receive new paid-up shares of the Company, or an amount in cash by selling their free-of-charge allocation rights to the Company (if not sold on the market), as explained herein.

The “Repsol Flexible Dividend” program is similar to those programs implemented by other companies in IBEX-35. With it, the Company offers its shareholders an alternative which, without affecting their right to receive the entire remuneration in cash if they so wish, gives them the opportunity to receive paid-up shares of the Company.

The “Repsol Flexible Dividend” program operates as follows. Each shareholder will receive a free-of-charge allocation right for every Repsol share held on the date mentioned in section 3.1 below. These rights will be listed and may be traded on the Spanish Stock Exchanges during a 16 calendar day period. Following the end of this period, the rights will be automatically converted into new Repsol shares. Each shareholder may elect one of the following alternatives:

- (a) Not to sell their free-of-charge allocation rights. In this case, at the end of the trading period, the shareholder will receive the corresponding number of new paid-up shares.
- (b) To sell all or part of their free-of-charge allocation rights to the Company under the Purchase Commitment at a guaranteed fixed price, mentioned in this document. Shareholders choosing this option would monetize their rights and would receive a remuneration in cash, as in previous years. The Purchase Commitment will only be applicable with respect to those rights freely received by the shareholders, not to those purchased or otherwise acquired on the market, and will be in force and may be accepted during such time, within the trading period of the rights, mentioned in section 3.4 below.
- (c) To sell all or part of their free-of-charge allocation rights on the market, during the trading period mentioned in section 3.4 below. Shareholders choosing this option would also monetize their rights, although in this case they would not receive a guaranteed fixed price, as in option (b) above, but instead the consideration payable for the rights would depend on market conditions in general and the quotation price of those rights in particular.

In consideration of their own needs, Company’s shareholders may combine any or all of the alternatives mentioned above.

Please note that tax treatment differs depending on the alternative elected. A summary of the tax regime in Spain applicable to the proposed operation can be found in paragraph 2.6 of the report by the Board of Directors on the proposal of resolution submitted to the Annual Shareholders’ Meeting that were approved under items five and six on the Agenda, which is available on the Company’s website (www.repsol.com). In any case, please note that the taxation of the different options related to the Capital Increase set out therein does not cover all possible tax consequences.

Consequently, shareholders are recommended to consult their tax advisers on the specific tax impact of the proposed operation and to pay attention to any changes or amendments that may be made in both the laws in place at the date of this operation and the interpretation criteria, as well as the specific circumstances of each shareholder or holder of free-of-charge allocation rights.

3. Details of the offer

3.1. Number of free-of-charge allocation rights needed to receive a new share, maximum number of new shares to be issued and face value of the Capital Increase.

In application of the formulas approved by the Annual Shareholders' Meeting, the CEO has established the following terms of the Capital Increase:

- (i) The number of free-of-charge allocation rights needed to receive one new share ("**No. Rights per share**") is 39. Free-of-charge allocation rights will be allocated to shareholders whose shares were acquired up until June 15, 2016, so long as such acquired shares are settled by June 20, 2016), according to *Sociedad de Gestión de los Sistemas de Registro, Compensación and Liquidación de Valores, S.A. Unipersonal (Iberclear)*, on the basis of one free-of-charge allocation right for each share held in the Company at that time. Accordingly, such shareholders shall be entitled to receive one new share for every 39 old shares that they hold on the mentioned date.

"**No. Rights per share**" have been calculated as described below, taking into account that the number of Company shares at the date of this report is 1,441,783,307 ("**NES**").

No. Rights per share = NES / Provisional no. shares = 1,441,783,307 / 36,990,934 = 38.977 = 39 rights (rounded up);

where

"Provisional no. shares" = Amount of the Alternative Option / Share Price = 432,534,992 / 11.693 = 36,990,934 and

"Share Price" = 11.693 euros, is the arithmetic mean of the weighted average prices of the Company's shares on the Madrid, Barcelona, Bilbao and Valencia Stock Exchanges over the five (5) trading sessions prior to the date of the CEO's approval to commence the Capital Increase (days 6, 7, 8, 9 and 10 of June 2016), rounded up or down to the nearest thousandth of a euro and, in the event of half a thousandth of a euro, rounded up to the nearest thousandth of a euro.

- (ii) The maximum number of new shares to be issued in the Capital Increase ("**MNNS**") is 36,968,802 resulting from the formula approved by the Annual Shareholder's Meeting of Repsol, which is reproduced below, rounded down to the nearest whole number:

MNNS = NES / No. Rights per share = 1,441,783,307 / 39 = 36,968,802 new shares (rounded down to the nearest whole number)

where, “NES”, “No. Rights per share” and “Share Price” have the meanings specified in paragraph (i) above.

The final number of shares to be issued will depend on the number of shareholders who elect to receive their remuneration in cash at the fixed price of the Company’s undertaking to acquire rights.

Repsol will waive the rights acquired by virtue of the undertaking to acquire rights, such that the capital will increase only by the amount corresponding to free-of-charge allocation rights not acquired by Repsol pursuant to this undertaking¹. The final number of shares to be issued in the Capital Increase will be promptly published in the official notice regarding the closing of the Capital Increase, which is expected to occur on July 6, 2016.

- (iii) Consequently, the face value amount of the Capital Increase is 36,968,802 euros. However, as already mentioned, the final amount of the share capital increase will be calculated by multiplying the number of final shares by 1 euro.

Due to the number of free-of-charge allocation rights required for the allocation of one new share (39, according to the previous calculations), multiplied by the maximum number of new shares to be issued (36,968,802, according to the previous calculations), is 1,441,783,278 (lower than the number of shares issued and outstanding (1,441,783,307), Repsol has waived a number of free-of-charge allocation rights equal to the difference between the two figures (29 rights) for the sole purpose of ensuring that the maximum number of new shares to be issued is a whole number and not a fraction.

3.2. Price of the purchase commitment of free-of-charge allocation rights

The guaranteed fixed price of Repsol’s purchase commitment of rights (the “**Purchase Commitment**”) is 0.292 euros gross per right, which results from the following formula of the Capital Increase:

Purchase Price = Share Price / (No. Rights per share + 1) = / (11.693/ (39 + 1) = 0.2923 = 0.292 (rounded up or down to the nearest thousandth of a euro and, in the event of half a thousandth of an euro, rounded up to the nearest thousandth of an euro).

Shareholders who wish to receive their remuneration in cash, may sell their rights to Repsol at a guaranteed fixed price of 0.292 euros gross.

¹ Also, if the final number of shares to be issued (i.e, the number of outstanding rights at the end of the trading period divided into the number of rights needed to receive one new share) is not a whole number, the Company will waive the number of rights as necessary.

3.3. Timetable

The Capital Increase is expected to be executed in accordance with the following timetable:

- (i) June 15, 2016: Publication of the announcement of the Capital Increase in the Official Gazette of the Commercial Registry. The last trading date of Repsol shares entitled to participate in the “Repsol Flexible Dividend” program.
- (ii) June 16, 2016: Rights trading period begins. Also the period to elect payment in cash begins. Repsol shares are traded “ex-coupon”.
- (iii) June 20, 2016: Effective settlement date for transactions made on June 15, 2016 (record date).
- (iv) June 24, 2016: Deadline for requesting payment in cash (sale of rights to Repsol).
- (v) July 1, 2016: Rights trading period ends. Repsol acquires rights of those shareholders who elected payment in cash (sale of rights to Repsol).
- (vi) July 6, 2016: Repsol waives the rights so acquired. Closing of the Capital Increase. Official Notice announcing the final results.
- (vii) July 6, 2016: Payment date to shareholders who elected payment in cash (sale of rights to Repsol).
- (viii) July 14, 2016: Estimated date for confirmation by the official authorities of compliance with the requirements relating to the listing and trading of new shares.
- (ix) July 18, 2016: Estimated first ordinary trading session of the new shares on the Spanish stock exchanges, subject to the receipt of all necessary approvals.

Note, however, that there are specific requirements related to the alternatives, schedule and procedures in respect of holders of (i) American Depositary Shares and (ii) ordinary shares traded on the Buenos Aires Stock Exchange which may differ from those contained herein.

The timetable included in this document has been prepared in accordance with current market understanding of the provisions of Royal Decree 878/2015, of October 2, 2015, regarding: the clearing, settlement and recording of transferable securities registered in book entry form; the legal regime of the central securities depositaries and central counterparties; and the transparency requirements for issuers of securities admitted to trading in a regulated market, published in the Spanish Official Gazette on October 3, 2015 (“RD 878/2015”). RD 878/2015 deals, among other matters, with the reform of the system of clearing, settlement and recording of securities and, as a result, affects the traditional calendar of execution of the “Repsol Flexible Dividend” program.

In particular, RD 878/2015 shortens the settlement cycle of the operations, requiring a settlement of 2 business days (D+2) instead of three business days (D+3) which is the current settlement period. At first, this shortened settlement period was expected to enter into force on June 27, 2016, but the *Comisión Nacional del Mercado de Valores*, on June 6, 2016, informed the market that it will not be in force until October 3, 2016. As such, since the execution of the “Repsol Flexible Dividend” program is expected to be completed prior to such date, the calendar that is included reflects a settlement of three business days (D+3), which is a change from the preliminary timetable that was published by Repsol on May 20, 2016 in which a settlement cycle of D+2 was assumed.

Nonetheless, the delayed implementation of reforms to the clearing, settlement and recording of transferable securities noted above has resulted in some uncertainty as to the applicable requirements.

As such, please note that this timetable is based on estimates made in respect of information that is currently available regarding the practical application of the aforementioned reform. Certain questions can be the subject of future modifications and, in such case, the market will be duly informed, by way of Official Notice, about the impact that such changes could have on the capital increase timetable contained herein.

3.4. Allocation of rights and procedure to elect cash or new shares

As noted above, free-of charge allocation rights will be allocated to shareholders whose shares were acquired up until June 15, 2016, so long as such acquired shares are settled by June 20, 2016, according to Iberclear. The trading period of the rights will begin on the next business day following the publication of the announcement of the closing of the Capital Increase on the BORME and will have a term of sixteen calendar days (from June 16, 2016 to July 1, 2016 inclusive). During this period, the rights will be tradable in the Stock Exchanges of Madrid, Barcelona, Bilbao and Valencia.

During the trading period of the rights, shareholders may elect cash or new shares as described above, and they may also acquire to free-of-charge allocation rights to subscribe new shares in the market. However, those shareholders who wish to accept the undertaking to purchase rights offered by Repsol and receive cash at the guaranteed price must communicate their decision no later than June 24, 2016. The undertaking to purchase rights is limited to the rights allocated free-of-charge to shareholders, and not to those purchased or otherwise acquired in the market. To choose among the alternatives offered by the “Repsol Flexible Dividend” program, shareholders must contact the entities where their Repsol shares and corresponding free-of-charge allocation rights are deposited.

Those shareholders who wish to receive cash at the guaranteed fixed price shall need to communicate their decision no later than June 24, 2016. In the absence of an express communication, shareholders will receive new shares of Repsol².

² The holders of (i) American Depositary Shares; and (ii) ordinary shares listed on the Buenos Aires Stock Exchange may have certain specialties with respect to those described herein.

The Capital Increase will be made free of charges and commissions with respect to the allocation of new shares issued. The Company will bear the costs of issuance, subscription, listing and any other charges or costs related to the Capital Increase.

Nevertheless, the Company's shareholders should bear in mind that the members of Iberclear at which they have deposited their shares may, under prevailing laws, establish such charges and commissions as they may freely determine for subscribing the new shares and maintaining the securities in the accounting records. In addition, these entities may, under prevailing laws, establish such charges and commissions as they may freely determine for handling purchase and sale orders in respect of free-of-charge allocation rights.

4. Nature of the shares to be issued

4.1. Face value, issue price and representation of shares

The new shares to be issued in the Capital Increase will be ordinary shares with a face value of one (1) euro each, of the same class and series as those currently outstanding and already admitted for trading in the Stock Exchanges of Madrid, Barcelona, Bilbao and Valencia.

The new shares will be issued at an issue price of one (1) euro, that is, without an issuance premium, and will be represented in book-entry form, the records of which will be kept by Iberclear and its participant entities.

4.2. Reserves to which the shares will be charged and balance sheet used for the Increase

The balance sheet used for purposes of the Capital Increase is that corresponding to December 31, 2015, duly audited by Deloitte, S.L. on February 24, 2016 and approved by the Annual Shareholders' Meeting on May 20, 2016 under item first of its agenda.

The Capital Increase will be made entirely against the voluntary reserves from retained earnings, which was 7,751,906,154 euros as of December 31, 2015.

4.3. Shares on deposit

At the end of the trading period for the free-of-charge allocation rights, any new share that have not been allocated for reasons beyond the Company's control will be held on deposit for any investors who can prove that they are the legitimate owners of the corresponding free-of-charge allocation rights. If any new shares are still pending allocation three years after the end of the trading period of the free-of-charge allocation rights, they may be sold, pursuant to Article 117 of the Companies Act, for the account and at the risk of interested parties. The net proceeds from such sale will be deposited at the Bank of Spain or Government Depository (*Caja General de Depósitos*) at the disposal of the interested parties.

4.4. Rights of the new shares

As from the date on which the Capital Increase is declared subscribed and paid up, expected on July 6, 2016, the new shares will confer upon their holders the same voting and economic rights as the Company's currently outstanding ordinary shares.

4.5. Listing of the new shares

The Company will apply for the listing of the new shares on the Madrid, Barcelona, Bilbao and Valencia Stock Exchanges through the Spanish Automated Quotation System (Mercado Continuo), and shall take the steps and actions that may be necessary for the listing of new shares with the competent bodies of the Buenos Aires Stock Exchange. Subject to the granting of the relevant authorizations, it is expected that the ordinary trading of the new shares in the Spanish Stock Exchanges will begin on July 18, 2016.

5. Foreign jurisdictions where Repsol is listed

In consideration of the terms and conditions of their respective programs and the rules of the securities market where the following securities are admitted for trading, the options, procedures and terms available for holders of (i) American Depositary Shares; and (ii) ordinary shares listed on the Buenos Aires Stock Exchange may differ from those described herein.
